TOUCH2PLAY®

TRUSTED, EASY TO ENJOY, & SUPER ENGAGING

For over 30 years, we've provided interactive game systems for kids and families in public spaces and libraries are a perfect location for Touch2Play.

Library Directors and Youth Services Managers love how our durable and reliable systems engage patrons in any library space.

Designed for high-use areas, Touch2Play activities offer sensory-friendly fun for all ages, from toddlers to teens to seniors. Plus, they're a great target for donations and fundraising efforts, featuring built-in on-screen recognition to thank donors.

Touch2Play started over 30 years ago and now can be found in all 50 states and 18 countries worldwide!
